To all Catholic Engaged Encounter candidates,

**RE: CATHOLIC ENGAGED ENCOUNTER WEEKEND (CEE) to take place via ZOOM**

Hello,

I am Fr. Kevin Maloney and as pastor of a parish my first priority is to my parish but I am also a presenter on Engaged Encounter weekends and have been for many years. I played a second role in this ministry as the spiritual adviser at the International level of CEE. I have participated and witnessed the teachings given on the weekend and they are sound, meaningful and in line with the teaching of our Catholic doctrine.

I am writing to let you know that in view of the current situation with the Covid-19 social distancing measures taking place across Canada, the CEE marriage preparation ministry has decided to offer the course via the remote conferencing technology ZOOM. Though in the past our venue has been in-person weekend conferences which we enjoyed, we have taken the same information presented by team couples and a priest to this new venue and it has been equally enriching.

I praise and recommend this weekend and hope that you will trust the process as well. Catholic Engaged Encounter is endorsed by the Vatican, valid in any diocese and is used in 32 countries. You may want more information. Please feel free to look us up by visiting some of these sites:
